A 8’ island is a great feature found in this home along with a corner pantry. And art niche is diagonal to the living. This open home features open dining and living rooms centered around a large kitchen with a huge island and counter height seating for 6, as well as a corner pantry. The master suite features a huge walk-in closet, whirlpool, double sink vanity and 5’ shower with dual showerheads. On the opposite end of the home, two more bedrooms share a bath, with a laundry nearby leading to the garage.
